Journey information

Arrival information

The usual time to meet up is between 4 p.m. and 8 p.m. Please call Mr. Walter Russer on his mobile phone at some 60 minutes before you arrive at the destination. Thus, you allow him to be prepared for your arrival and to meet you there on time. Should you realize to have a late arrival you are kindly asked to call him as well.

How to get there

1. How to avoid going through Barcelona: Approaching from Gerona after having passed exit 14, the motorway AP-7 is forking before you get to Barcelona. You stay on the motorway AP-7 in direction Tarragona / Leida, otherwise you will find yourself in the heart of Barcelona. Past exit Nr.30 the AP-7 is forking once more. Once again you follow the motorway, direction Tarragona/Valencia.
2. You bypass Valencia staying on the AP-7 and continue the motorway in direction of Alicante (motorway “por la Costa”).
3. Leave the AP-7 taking exit Nr. 63 (Teulada – Benissa – Calpe) and turn back to Teulada using the main road, N332, by following the sign. → **Please announce your arrival latest now to Mr. Russer; thank you.**
4. After approximately 5 km you are going to reach a huge roundabout, which you leave turning right in direction to Teulada-Moraira. You follow the main road (which is divided in two main lanes) throughout the town.
5. At the end (uptown) you reach another roundabout, where you turn half to the right in direction of Moraira.
6. After approximately 1.5 km you reach another roundabout, which you leave right hand side in the direction of La Sabateira/Benimeit. You are now on the road called Calle Móstoles.
7. You follow this road for a couple of kilometres slightly up a hill, until you reach the grocery „Supermercados PALCO“ on the right hand side → **our meeting point.** Now - enjoy your holiday!
